Contract Electronic Manufacturer Announces Long-Term Agreement with DRS Fermont to Produce Generator Sets

Paterson, New Jersey / January 2009

PPI-Time Zero, Inc, CEO Dana Pittman, announced that a long-term agreement (LTA) has been reached with DRS Fermont, a world leader in the design, development and manufacture of Power Solutions. DRS Fermont's Tactical Quiet Generator (TQG), Sets incorporate the latest electronic technology. DRS Fermont, headquartered in Bridgeport, CT, is the industry leader in Tactical Quiet Generator (TQG) Technology. "The DRS Fermont, PPI-Time Zero multi-year, multi-million dollar long-term Agreement is anticipated to continue until at least 2010," said Pittman.
